Project Status report

Name:	Pruthvi Patel, Poojan Patel
Community & UN SDG(s):	SDG 12 - Responsible Consumption & Production
MVP #	2
Sprint cycle dates:	24/02/2025 – 09/03/2025

Project Name	**GroceryMind**
Blurb	The main feature of GroceryMind helps users monitor their food stock along with expiry date tracking and shopping list building capabilities. The project aligns with SDG 12 - Responsible Consumption & Production, aiming to reduce food waste and encourage responsible grocery management. Currently, we have completed initial UI development for login, registration, walkthrough and home screens. Our focus is on enhancing user experience and integrating core functionalities.
For Week Ending	09/03/2025
Project Status	Green
Status Description	Key milestones such as the smart Members page, Profile settings page, and group collaboration functionality have been successfully implemented. The team has completed major testing phases, and the platform is stable with improved UI responsiveness. Half of the implementation for expiry reminder system is done.
